

How to Assemble

Read all instructions prior to assembly.

1. Bolt feet to sides and tighten.
2. Loosely bolt one top shelf to two pick rack sides. Sides should be on outside of shelf.
3. Loosely bolt eight interior shelves into place. Front lip of shelves should be up.
4. Repeat steps 1, 2, and 3 for other unit.
5. Bolt a pair of sway braces together at the center to form an "X". Set the units back-to-back and attach the sway brace and the two units with four nuts and bolts.
6. Level unit and tighten sway brace.
7. Tighten all remaining nuts and bolts.
8. Bolt casters to dolly so that dolly is oriented as shown. Insert bolts through dolly, then casters.
9. Set pick rack unit on dolly and bolt down. Note: One nut and bolt will have to be removed from each caster for placement.
